

Certificate

Conformity of factory production control

pursuant to Regulation (EU) No. 305/2011: System 2+

No. of Certificate: **0035-CPR-C500**

According to Regulation (EU) No. 305/2011 of the European Parliament and of the Council of 9 March 2011 (Construction Products Regulation - CPR), this Certificate applies to the construction product stated below:

Scope of application:

Welding consumable (filler metals and fluxes)
for fusion welding of metallic materials intended to be used in metal structures or metal/concrete composite structures:

Filler wires acc. to EN ISO 14171, EN ISO 26304
Tubular cored electrodes acc. to EN ISO 17632,
EN ISO 17634, EN ISO 18276, EN ISO 24598, EN ISO 26304
Welding flux acc. to EN ISO 14174

Name and address of the
manufacturer:

ITW Welding GmbH
Spechttal 1a
D-67317 Altleiningen - Germany

Factory:
Manufacturing premises

Spechttal 1a
D-67317 Altleiningen - Germany

Specified requirements:

This document is to certify that all the regulations governing the assessment and verification of constancy of performance as detailed in Annex ZA of the harmonized standard

EN 13479:2017

are applied under System 2+ and that the factory production control meets all the requirements described therein.

Period of validity:

This Certificate, first issued on **June 28, 2006**, will be valid as long as the methods of testing and/or requirements for factory production control, for assessment of performance of stated characteristics which are referred to in the harmonized standard remain unchanged and as long as minor changes only will be made with regard to the product and manufacturing conditions on site. It will expire on **July 31, 2025** at the latest.
